Help a local child this Christmas

'It took the stress out of Christmas a bit. The kids loved their items'

'You made Christmas that little bit easier money wise'

Last year the Andover foodbank has distributed over 1270 **Christmas gift boxes** to local children in need. Winter and Christmas 2023 will again be very difficult for many families in our community, we invite you to help make this Christmas happy for a local child by donating a gift box or by donating money.

The scheme is very simple. Key workers at local agencies and schools identify children for whom a **gift box** will make a real difference and request a box for a boy or girl of a certain age from the Andover foodbank.

How you can help:

- We need you to donate a **gift box** or a **financial donation**
- Our A5 leaflet, which you can print, gives details of how to make up a box, labels and gift ideas. Gift boxes must be delivered to the foodbank by **Friday 3 November 2023**.
- You can donate online via our website www.andoverfood.bank.org.uk - £15 helps us produce an exciting box of gifts for a child.
